Missions Moment Carlos and Aliza Urias

Keely works full-time with Campus Crusade for Christ. I work remotely for the Tech Department of Cru's World Headquarters writing communications. I also work on-campus in Maine with the student group at the University of Southern Maine and am part of the Northeast Lifelines team. Lifelines is an outdoor ministry that runs activities like rock climbing, hiking, and white water rafting with college students from campuses across the Northeast. These trips incorporate experiential learning lessons to help students grow in their faith and learn about God.
