

Today's Message | Pastor Aaron | 7/26/26
"Asking For a Friend...Can I Trust the Bible?"
Matthew 4:1-11

Everyone builds their life on some ultimate authority—human reason, science, culture, experience, self, or God. The question is not whether we have an authority, but which authority can actually bear the weight of reality.

- I. **We can trust the Bible because it accurately reflects the human experience.**

- II. **We can trust the Bible because it is historically accurate.**

- III. **We can trust the Bible because Jesus uses and fulfills it in His perfect life.**

*Practical steps for this week:
How can I grow in my trust of scripture?*
